## What our clients say

“Debbie always puts the needs of individual dogs first, and especially makes sure they are safe and looked after in bad weather – in hot & cold temperatures... her knowledge and understanding of dogs is second to none. ## Our services

From stimulating enrichment walks to all-day care, holiday boarding or one-to-one training, Debbie's Dogz can help.

### Day Care

**£25.00 per dog per day**

All dogs will receive a morning and afternoon walk (according to clients' requirements) and a lunchtime snack (Kong or other enrichment toy as appropriate and as agreed with owner), in a relaxing home-from-home environment. All dogs are collected and dropped off from their homes.

*Minimum two walks per week or one daycare*

### Walking

**£12.50 per dog per walk**

We try to incorporate training as FUN into our walks with games for recall and lots of find it games too. Walking groups are carefully matched so all dogs are safe and comfortable with the other dogs in their group. Any new dog will be slowly introduced to a group. Only two walking slots are offered a day, which are purposefully not run on a timescale so all dogs get the chance to chill out, sniff, run and play on their walks together. All Debbie's Dogz are supplied with a harness and identity tag for walks. All dogs are collected and dropped off from their homes.

*Minimum two walks per week or one daycare*

### Boarding

**£XX.00 per dog per day**

Boarding is offered to existing walking and day care clients. Dogs will receive two walks per day and relax in a home-from-home environment. Any dog spending over 7 nights boarding will also receive a professional bath and brush with Becky at Woof and Go Dog Grooming prior to being returned home. A trial night or weekend will be required at least one month prior to boarding dates.

### One-to-one Training

**£XX.00 per hour**

With an extensive background in dog training, Debbie's Dogz also offers 121 training consultations, pre-puppy advice and 121 puppy/dog training. All training is rewards-based, using positive reinforcement to encourage good behaviour.

## About Debbie's Dogz

Learn a little about Debbie and her dogs.

I have always had a deep love for dogs, growing up with a number of rescue dogs from the age of eleven. As soon as I had my own home I got my first rescue dog, Max (great dane x labrador) and so my want (and need!) to learn grew. My second rescue dog, Cadbury (Pointer x Dobermann), was a huge learning curve for me. I attended many, *many* seminars and workshops with world renowned trainers and behaviourists to broaden my understanding of his "issues," whilst working as a full time PA.

Fate then took over. I volunteered at Battersea Old Windsor walking the dogs at weekends, and by chance a temporary role to help out Home Visiting evenings and weekends became available, to chat to members of the public who were interested in rehoming a dog, advising them on settling in and working with their dog to build a happy lifetime partnership (I also rehomed my third rescue dog Henry (German Shepherd Cross)). After a period of time, I was then offered the role on a full time permanent basis. I gave up my PA job and jumped head first into the amazing world of rescue, rehoming, training, assessing and behaviour with the best known rescue in the UK – Battersea Dogs and Cats Home. I spent 5 very happy years there, including a promotion to Rehoming Officer based at the main London site.

I left Battersea due to poor health, did some temp secretarial work and then secured a position with Guide Dogs for the Blind as Rehoming Officer for another 4 years, dealing with rehoming dogs who did not prove suitable to remain on the scheme and also the retiring Guide Dogs, spending time with their Guide Dog Owners and interviewing and matching dogs with members of the public.

I set up my walking business whilst I was a trainer with PuppyStars and also took the decision to break away and do training on my own. I have run classes but now concentrate on working with dogs and their owners on a one-to-one basis.

I am the proud owner of Magic, a Pets As Therapy 10-year-old border collie (rescued at approximately 1 year old) and Mo, a 5-year-old Mini-Smooth Dachshund (rehomed to me at 3 years old) – who are my assessors of any new dogs joining our crew. My three cats – Peaches, Poppy and Dog – are the masters of teaching acceptable dog behaviour in their home when boarding with us!

“

Debbie has been caring for Maisie for over 3 years now – providing regular lunchtime walks, daycare and overnight stays – and Maisie adores her! Debbie always puts the needs of individual dogs first, and especially makes sure they are safe and looked after in bad weather – in hot and cold temperatures.

There are many times when I have taken advice from Debbie on caring for my dog – her knowledge and understanding of dogs is second to none. She works to build a good relationship with each of the dogs in her care and they clearly respond to that. A lovely lady – I thoroughly recommend Debbie to anyone looking to trust someone with their dog.”

“

I have known Debbie for several years now and she helped us to find our puppy Skye. She then trained Skye at home when we went on holiday and at PuppyStars training classes which were always fun but structured with lots of learning for both dogs and owners.

Debbie has an in-depth understanding of dog behaviour from her years working as a re-homing officer for Battersea. She is definitely on the dogs' side and uses reward based training to get the best behaviour out of her dogs. The dogs love her and critically they listen to her. She has a love of continuous learning and regularly attends workshops through the year to build her knowledge on everything from dog massage to behavioural issues. She will be your dog's best friend.”

“

Ralphy loves his walks with Debbie and the rest of her crew – he's always excited to see her sleeps like a baby on his return. Ralphy has been on sleepovers while we are away – if he could talk he would say he adores her!

Debbie gives great training and advice with any concerns. She has undoubtedly helped turn him into a delightful well behaved young dog. Would give a 5\* rating every time for her services, kindness and consideration.”

“

We first met Debbie at puppy classes several years ago and she helped us immeasurably to train our first dog, Alfie. Since then, we've attended many of Debbie's classes and were thrilled when she started her dog walking service, as she understands all of Alfie's quirks and we knew he'd be in very safe hands.

Debbie has a wonderful manner with animals and chooses her walking groups carefully, to suit the needs and personalities of the dogs in her care. Alfie has also boarded for a weekend and had such a great time he didn't want to come home! Alfie absolutely adores Debbie and, whatever the weather, he cannot wait to join her and all his doggy pals when the fun-bus turns up! I would recommend Debbie's Dogz every day of the week.”

“

There are very few people we trust to look after our fur-babies so you can imagine my delight when I found Debbie. If like me you're looking for someone who loves dogs and knows how to work with them, Debbie is most certainly the one! I can't thank Debbie enough for not only providing an excellent service: reliable, trustworthy, friendly, but above all else loving and caring for my cocker spaniel (Harvey) just like he was her own.

Harvey is walked 5 days a week and has also been boarded by Debbie on several occasions; I'm always totally relaxed knowing that Harvey is in very good hands. He thoroughly enjoys his time with Debbie; she's taken the time and interest to understand his quirky spaniel ways and needs; he totally adores her — he told me so!”
